1. Fields of expertise

Admitted to the Paris Bar since 2019, Céline Guichenduc is specialized in business litigation and pre-litigation (breach of commercial contracts, distribution, hidden defects, partnership disputes...), consumer law and real estate law.

Céline Guichenduc also practices alternative methods of dispute resolution (ADR), and more precisely mediation where she intervenes as a lawyer for his clients (judicial and conventional mediations), whether in her main field of activity or for family or labour law disputes. She is currently training to become a mediator.

Céline Guichenduc works with French and foreign clients and especially for Portuguese-speaking clients, having completed part of her studies and various internships in Brazil.
